好爱喜 HIC STEEL FIBER

Haoaixi Steel Fibers Product Data Sheet

HIC 50/50

About us

Haoaixi is a company specializing in concrete reinforcement solutions and steel fiber products. Since its establishment, we have been adhering to the concept of customer intimacy, emphasizing that customers become winners, and profits from successful customers. While producing high-quality steel fiber products, we also select the most suitable type and dosage for customers, and provide storage, delivery, mixing, concrete recipe adjustment advice and construction site services.

We offer much more than steel fibers.

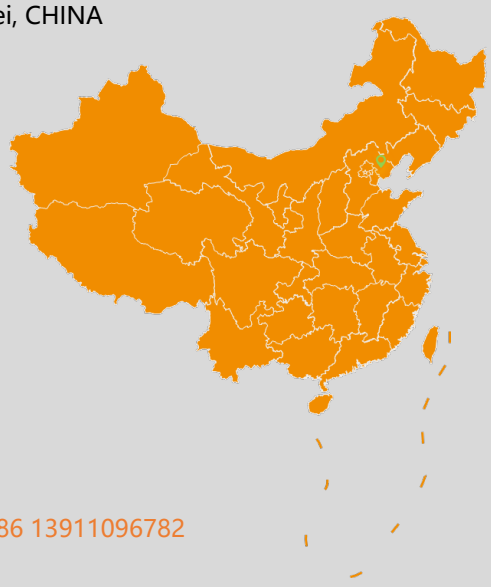

About Products

Haoaixi provides you with a complete range of steel fiber products, each steel fiber is made by a special process to meet your various needs. Whether it is industrial floor, tunnel bridge, airport pavement, port storage yard, it can be satisfied.

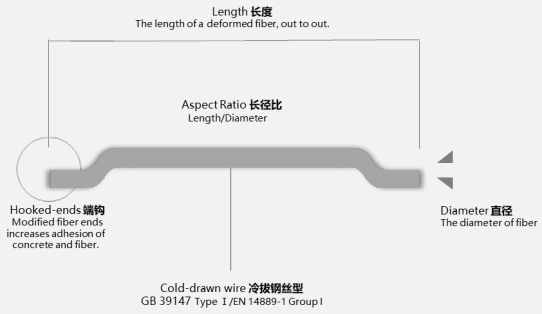

Haoaixi steel fiber supports batch customization of steel fiber with different geometry size, anchorage form and strength. This is general information, for more information, please contact Haoaixi Fiber.

Performance

- Length： 50 mm ± 5%
- Diameter： 1.0mm ±5%
- Aspect Ratio： 50± 10%
- Tensile Strength： 1100 N/mm^2 ± 7.5%
- Number of fibers pre kg: 3200
- Young’ s Module： 210,000 N/mm^2
- Shape： Hooked & loose

Packing

Certification

ISO 9001 2015
ISO 14001 2015
ISO 45001 2018
CE EN 14889-1 System 1
ilac-MRA
CMA CNAS

Conforms to:
ASTM A820 / A820M-04 type 1
ISO 13270
EN 14889-1
